Struggling financially? We are here to help.

During times of financial uncertainty, we have resources to help with utility bills. Please reach out to our customer care team at 1-800-454-2201, visit www.libertyenergyandwater.com, or scan the QR code below.

Detect a gas (methane) leak

You know how critical it is to protect your household with smoke and carbon monoxide detectors. **You can also add an additional layer of protection with a natural gas (methane) detector.**

This electronic device, designed to detect natural gas leaks, triggers an alarm when it senses dangerous gas concentrations. You can purchase this device at local retailers or online.

As a Liberty customer, you can save 10% on a residential methane detector from DeNova Detect. The offer is valid through Dec. 31, 2026.

Access this offer and learn more about residential methane detectors by visiting the safety section of www.libertyenergyandwater.com or by **scanning the QR code.**

Gas usage

Usage information for renters

If you rent your property and do not pay your natural gas bills directly, or if you are a prospective tenant or landlord, you can still get historic usage information for your property.

To obtain usage information, please scan the QR code below and complete the form. You can also access the form by visiting www.libertyenergyandwater.com, selecting your state and town, and then navigating to the "Energy Usage Overview" page located under the "Customer Service" drop-down menu.
